Summer Camp Mission

Camp Mission

The mission of summer camps program is to provide well-organized and managed camps which provide a safe environment focused on developing the skills and fundamentals of the camp with an emphasis on promoting the Summer Camp mission.

To accomplish this mission, each staff member must work together within the camp community to achieve a balance that both protects and challenges each camper.

Camp participants come from a variety of different backgrounds and come with a diverse set of expectations and needs. In order to serve each camper most effectively, it is necessary to establish clear objectives that set a course for leaders within the camp system.

Camp Objectives

Safety and security are critical to a successful camp and staff members must work together to promote a safe and organized camp. Staff members will provide the necessary boundaries in which campers can feel safe, successfully achieve growth, and enjoy their camp experience.

As a staff member or volunteer, you are accepting the responsibility of serving as a mentor and role model for youth who are part of a camp experience. The expectations set forth in this handbook govern the camp community and all those who serve within it. This handbook is intended to enhance the camp experience for participants and make it easier for camp staff members and volunteers to execute their responsibilities.
